

Dear Pastors and Brethren. May the grace and mercy of our Lord and God be with you.

Dear brothers, this second report of this year was sent with a little delay because of the large amount of work that has accumulated, and we wanted to make it as complete as possible. We give graces to our Lord and God for the way he has continued to sustain us not only during the pandemic, but also for the crisis created by the war between Ukraine and Russia, which has made everything especially expensive for food.

However, our church has continued to grow in number of new families attending our worship, prayer, and cell services.

Second, we give glory to God, for the large number of pastors, Bible teachers who are attending our pastor and leadership trainings. We are receiving an attendance of up to one hundred and sixty of these brothers.

Thirdly, despite the crisis that is being experienced in Haiti, we have not stopped helping the orphanage and we have also built a house for faithful brothers who lost their home in the last earthquake.

Fourthly, our Lord has provided us to extend the work of mercy among the most vulnerable with food, medicine, the recovery of children from the riverbank in a great state of malnutrition and building dignified housing especially for brothers in great need.

1.-Worship services and groups of Cells (Small Groups) in Iglesia Fundamento Biblico

No.2 - Pastoral Training of April 30, 2022

We continue to deliver R.C. Sproul Reformation Study Bibles donated from the Ligonier ministry.

No.3- Thirdly, despite the crisis that is being experienced in Haiti, we have not stopped helping the orphanage and we have also built a house for some faithful brothers who lost their house in the last earthquake.

Children receiving classes, not only those from the orphanage, but from the community near the orphanage.

State in which this family of brothers lived in Haiti in this semi-destroyed house.

This is the house that was given to you with some new furniture and kitchen utensils

The director of the orphanage delivering the house. She is our partner for all our work in Haiti.

Delivery house model

Works of Mercies: Matthew 25:31-40.

1-Medical attention and medicine for the neediest.

We are paying attention to the children of the poor community who live on the riverbank near our church.

In these children we find a great lack of nutrition and we are preparing a balanced diet at breakfast recommended by a nutritionist. Maybe that's the only balanced meal they make on the day. We have prepared a place in their own community to feed them. We approve that time to teach them The Word of God and pray with them.

Construction of a house for this elderly Christian couple.

They live in the community of Bayaguana (this is an indigenous name). This is a very poor community in the Dominican Republic.

This is the condition of the house where they live.

Model of house that will be built.

Prayer Requests:

- **By a group of brethren taking discipleship course for church membership.**
- **For pastoral training, we have several numbers of 160 pastors and leaders. This year we are teaching about ministerial integrity.**
- **So that the Lord may continue to allow us to help those most in need. Psalm 41:1.**
- **(Personally) That the Lord may keep me healthy in my 73 years by serving Him with passion for His glory.**

We deeply thank our God for sustaining our different ministries in which we serve the Lord and for you who are an important part of this work for the glory of God. We pray to the Lord that He will reward you according to His immense mercies.

In Christ, His servant.

Pastor Miguel Angel Castillo.
